## Roles and Responsibilities:

1. Identification of strong leadership, change-makers among women and girls and building their capacity.
2. To promote a culture of respect and equality for female gender.
3. To organize awareness programs on gender sensitization.
4. The provision of opportunities and programs for girls and women to be financially, mentally and emotionally empowered to promote their growth as individuals in their own right.
5. Organizing different activities to make women aware of their health, sports, self-defense etc.
6. To highlight the importance of spirituality, health, hygiene and safety.
7. Celebration of International Women's Day on March 8th, every year.
8. To inculcate entrepreneurial attitude among young girls, scientists at the earliest so that they can be "job providers" rather than "job seekers".
9. Counseling services for resident and non – resident students.
