## **MISSION:**

To assess and upgrade the quality of academic, administration and ambience for ensuring high quality of teaching, learning and research in the institution.

## **VISION:**

- Periodic evaluation of curricular, co-curricular, research, administrative activities and goals for further augmentation.
- To identify the challenges and formulate proper remedial measures with internal and external expertise.

## **Objectives of the Internal Quality Assurance Cell (IQAC):**

The objective of IQAC is to ensure quality standards in teaching, learning and evaluation patterns and related activities. Aim of IQAC is to develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution. It also promotes the measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices. IQAC administers various new academics activities to supplement the existing practices. Further, it encourages activities in the co-curricular and extra-curricular spheres.

## **IQAC evolve mechanisms and procedures for:**

- Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks.
- The relevance and quality of academic and research programmes.
- Equitable access to and affordability of academic programmes for various sections of society. Optimization and integration of modern methods of teaching and learning.
- The credibility of evaluation procedures.
- Ensuring the adequacy, maintenance and functioning of the support structure and services.
- Research sharing and networking with other institutions in India and abroad.
